

Lumbermens Mutual Group announces revisions to corrective order

FOR IMMEDIATE RELEASE

LAKE ZURICH, IL – January 31, 2011 - Lumbermens Mutual Casualty Company has operated under the administrative supervision of the Illinois Department of Insurance since 2003 pursuant to a series of corrective orders that directed, among other things, certain prescribed accounting allowances to be recognized in the preparation of the Company's statutory financial statements. Corrective orders are required to be held confidential pursuant to mandatory provisions in the Illinois Insurance Code. The Department has revised the list of prescribed accounting allowances effective December 31, 2010. Certain of these prescribed accounting allowances are expected to have a positive impact on the Company's December 31, 2010 statutory surplus, the extent of which is still undetermined. Further information will be available in the Company's December 31, 2010 financial statements, which are expected to be filed with the Department by March 1, 2011.
