Notice of Anticipated Cancellation of Surety Bonds
www.osdchi.com

Our records show that as of February 1, 2013, you had one or more surety bond in force issued by Lumbermens Mutual Casualty Company, American Manufacturers Mutual Insurance Company, or American Motorists Insurance Company (the “Companies”). In July and August of 2012, the Companies were placed into rehabilitation by order of the Circuit Court of Cook County, Illinois. You may view the Orders of Rehabilitation, and check on the current status of the proceedings, at www.osdchi.com. Barring unforeseen circumstances, a complaint for liquidation will be filed against each of the Companies in early March of this year. Upon the entry of orders placing the Companies into liquidation, very likely prior to March 31, 2013, all currently in force surety bonds issued by the Companies will be immediately cancelled. This notice of the anticipated cancellation of all in force surety bonds is being provided so that you may obtain replacement coverage, or otherwise protect your interests as you deem appropriate.
